Man Yue Technology Receives “Outstanding Import & Export Enterprise Awards 2014 Corporate Achievement Award”

(30 October 2014 – Hong Kong) **Man Yue Technology Holdings Limited** (“Man Yue Technology” or the “Group”, stock code: 894), one of the largest Aluminum Electrolytic Capacitors (“E-caps”) and Conductive Polymer Aluminum Solid Capacitors (“Polymer Caps”) manufacturers in the world, has been awarded the **“Outstanding Import & Export Enterprise Awards 2014 - Corporate Achievement Award”**.

The Outstanding Import & Export Enterprise Awards (the “Award”) is organised by the Hong Kong Chinese Importers’ & Exporters’ Association. It aims to recognise and encourage import and export enterprises that made contributions and achievements to Hong Kong’s economic development. The Award also intends to acclaim quality enterprises and promote their successful business development strategies and management experience, as well as foster collaboration between import and export enterprises. The Outstanding Import and Export Enterprise Awards 2014 invited a board of experts and senior industry leaders as judges to give out a total of five categories of awards; namely “Corporate Achievement Award”, “Market Development Excellence Award”, “Innovation Excellence Award”, “Corporate Succession Excellence Award” and “Entrepreneurship Award”. Man Yue Technology has been the key supplier of high technology electronic components to world-renowned brands for decades; and it ranked 6th amongst aluminum E-caps makers worldwide in 2014, which makes the Group the largest non-Japanese capacitor manufacturer. Being recognised for its leading position in the industry and contributions to export trade, the Group has won the “Corporate Achievement Award” at the inaugural Import & Export Enterprise Awards this year. The Group has again been honoured following the “Productivity and Quality Grand Award” received in the Hong Kong Awards for Industries in 2013.

Mr. Chan Yu Ching Eugene, Managing Director of Man Yue Technology, said, “We are very honoured to receive this award. This accolade represents the recognition from the import and export industry for our position as a leading capacitor manufacturer, and a core member of Hong Kong's import and export enterprises. The award encourages us to continue our efforts in research, development and innovation, enhance the Group's overall competitiveness in the industry and global markets while continuing to contribute to import and export trade, and share our successful experience with our peers.”

About Man Yue Technology Holdings Limited

Man Yue Technology was founded in 1979 and was listed on the Hong Kong Stock Exchange in 1997. The Group's core business is the manufacture and sale of high technology electronic components, including Aluminum Electrolytic Capacitors ("E-Caps"), Conductive Polymer Aluminum Solid Capacitors ("Polymer Caps"), Electric Double Layer Capacitor ("EDLC"), EDLC Modules ("EDLC Modules"), Powerfilm Capacitors ("Powerfilm Caps") and other innovative electronic components. As a key manufacturer of E-Caps and Polymer Caps, the Group's renowned SAMXON® and X-CON® brands are respected for their advanced technology and superior quality. The Group operates state-of-the-art E-Caps manufacturing facilities in Dongguan, Wuxi and Jiangxi of Mainland China, with a total production capacity exceeding 1 billion pieces per month. It also owns aluminum foil factories located in Qingyuan and Ya'an, in Mainland China producing foil for its own consumption, and also operates a chemicals production plant in Wuhan, Hubei Province in Mainland China. The Group has distribution offices located in Hong Kong, Mainland China, Taiwan, Malaysia and Japan. In 2011, Man Yue Technology was ranked second among the "Best Small-caps" in Hong Kong as selected in FinanceAsia's Best Managed Companies Poll 2011. In 2013, the Group obtained the Productivity and Quality Grand Award in the Hong Kong Awards for Industries, being organized by the Hong Kong Productivity Council.
