

Man Yue accredited as "Top 10 Well-known Brand Capacitors 2008" (In China)

(28 November 2008 – Hong Kong) – **Man Yue International Holdings Limited** (“Man Yue” or the “Group”) (stock code : 894), the fifth largest aluminum electrolytic capacitors (“E-Caps”) manufacturer in the world, awarded the “Top 10 Well-known Brand Capacitors 2008” (In China).

This award is offered by the “Top 10 Man of the year & Brand in Capacitor Industry” voting campaign organized by the B2B e-commerce services provider HC International, while the ceremony of award had been held grandly in the DIAOYUTAI State Guesthouse in Beijing, with the participation of government heads, associations’ experts, investment experts, capacitors’ industrialist and specific medias.

All the winning corporations are well-known international brands with front-end positions in global market shares. **Man Yue’s SAMXON® brand** is ranked as the top-three brands, plus the 1st ranking electrolyte capacitor manufacturers.

This award proves the leading position for Man Yue and the SAMXON® brand, as well as to recognize Man Yue’s outstanding performance and high recognition in the community responsibility, contributions to electronic & capacitor industry, publicity of the brand and public trusty.
